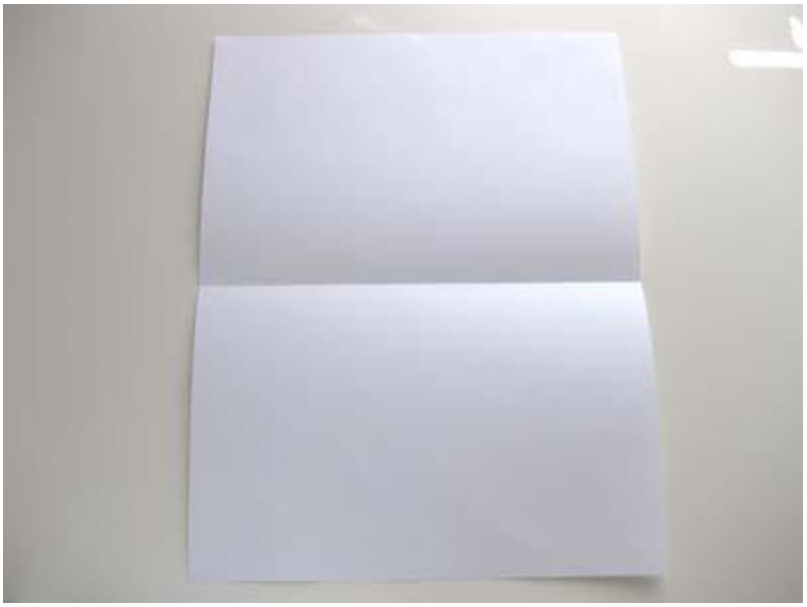
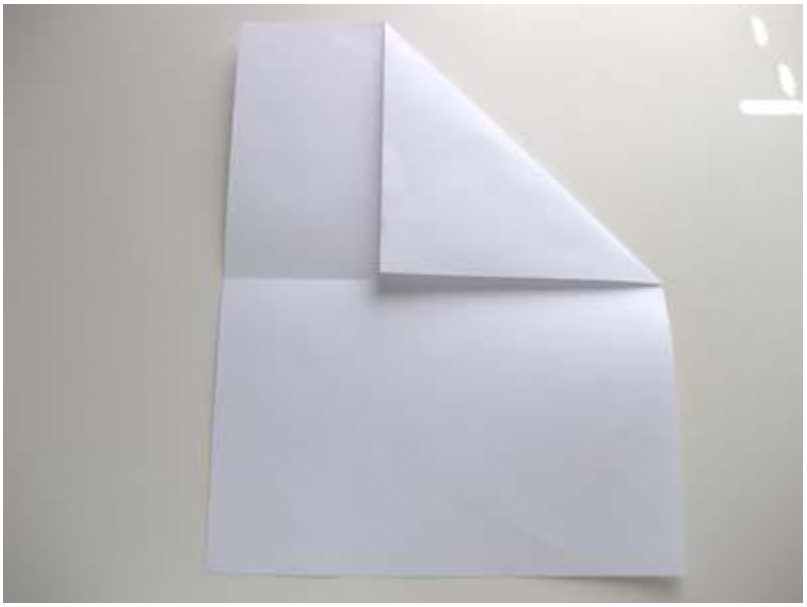
Easy Origami Envelope Step 1: Start with a A4 paper (8 inch x 11.5 inch).
It should work with most rectangles too. Write your message or letter here.

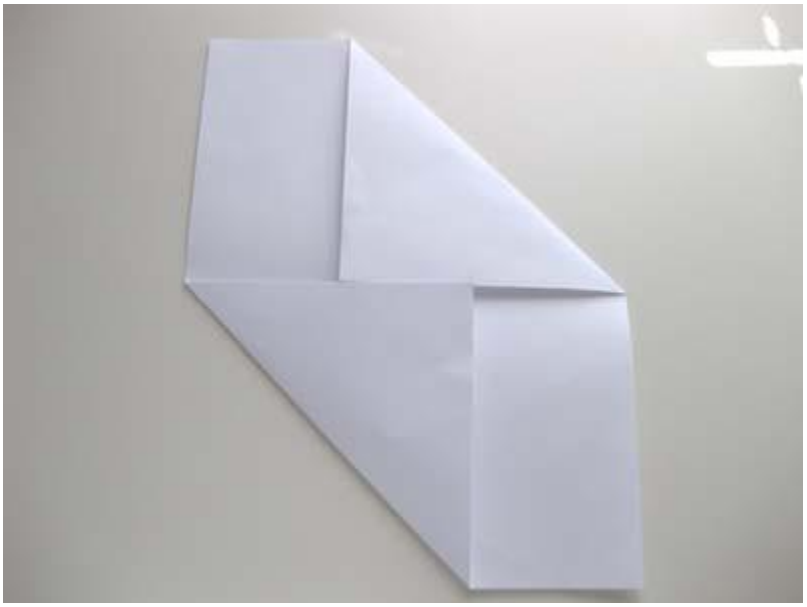
Easy Origami Envelope Step 2: Fold paper in half as shown below. Crease and unfold.



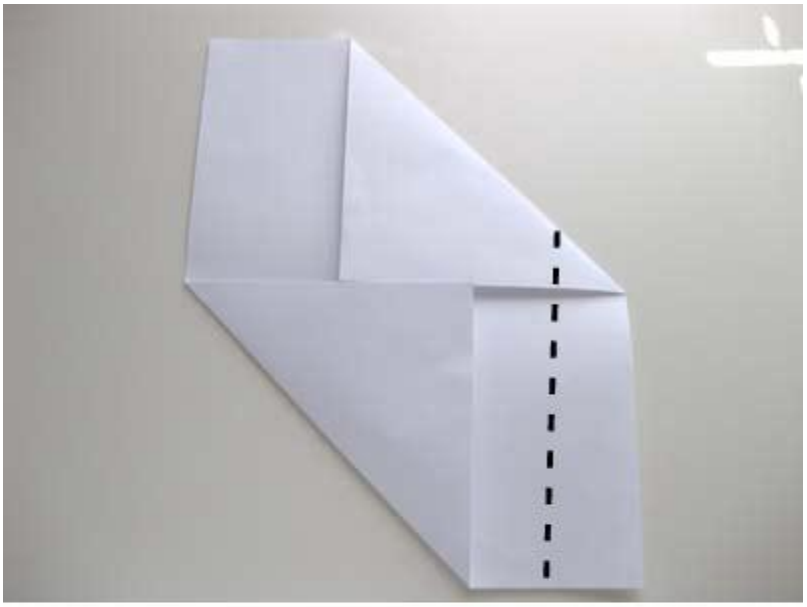
Easy Origami Envelope Step 3: Fold the top right down to meet the center crease.

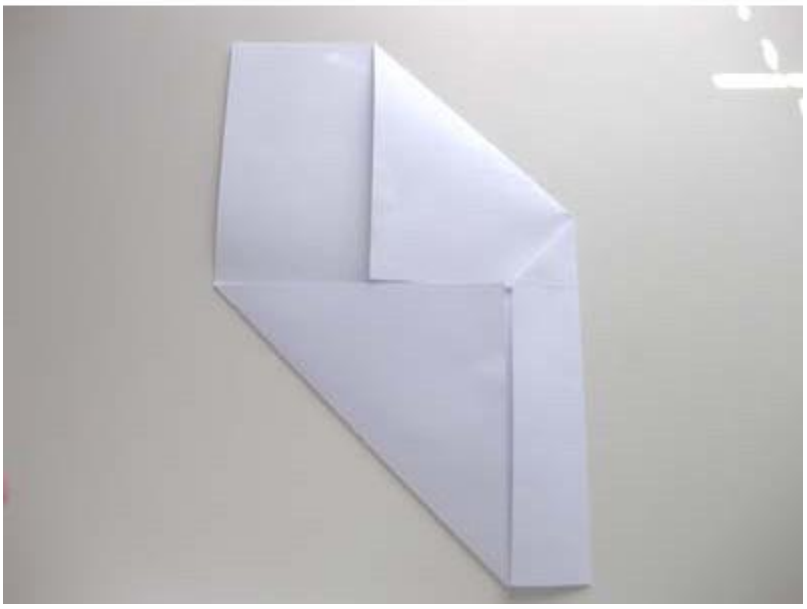


Easy Origami Envelope Step 4: Now fold the bottom left to meet the center crease.

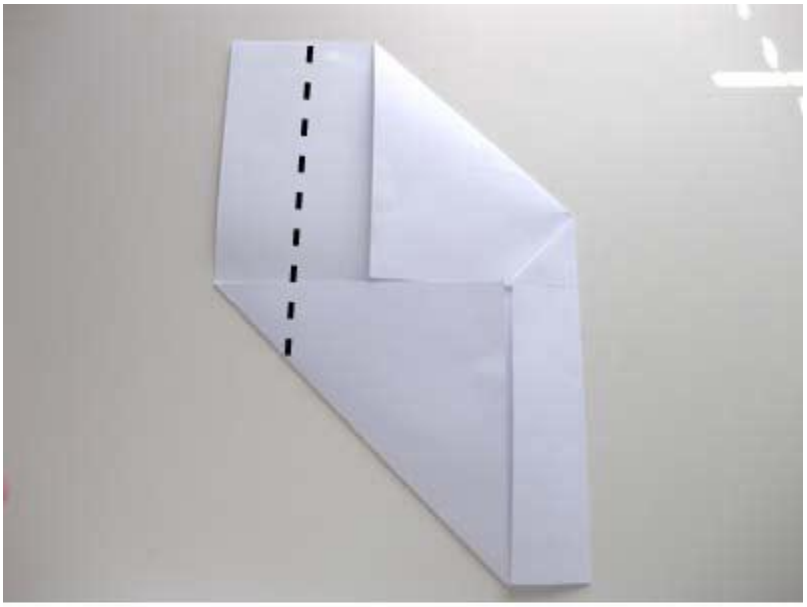


Easy Origami Envelope Step 5: Now fold the right side to meet the left vertical edge.

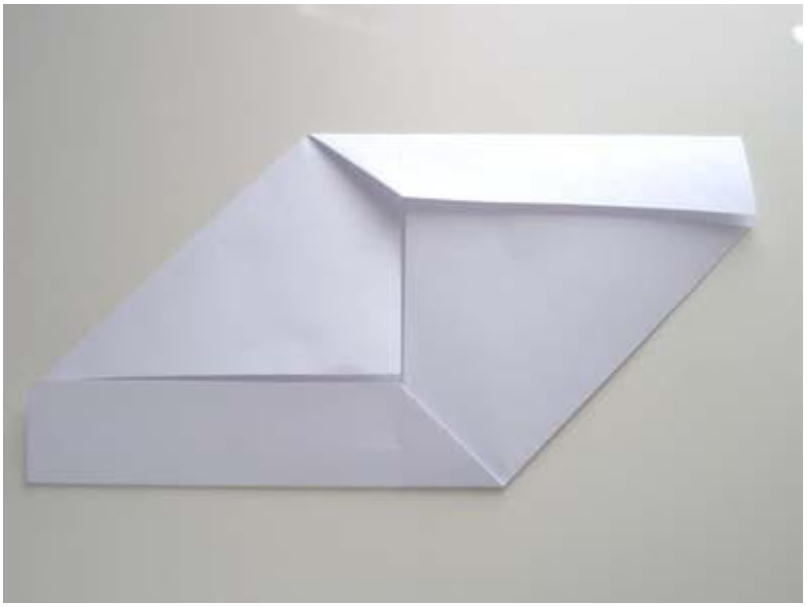




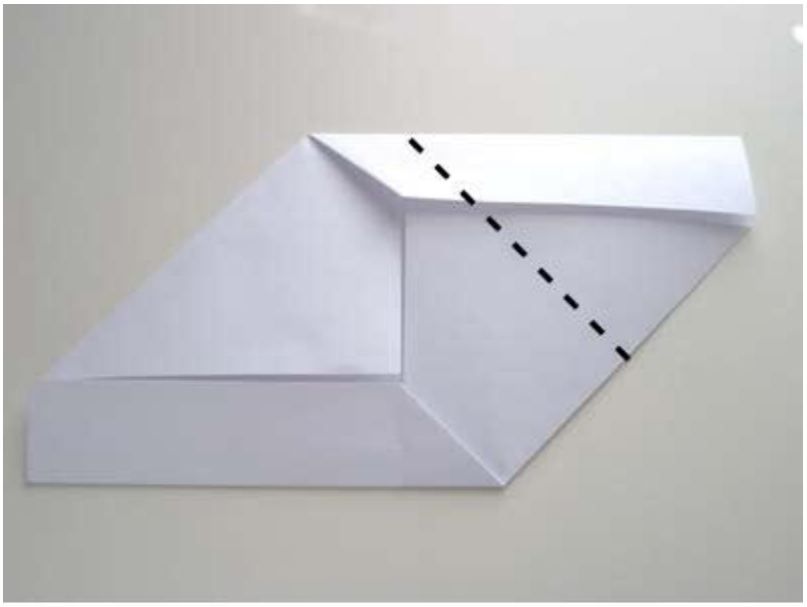
Easy Origami Envelope Step 6: Fold the left side to meet the right vertical edge.

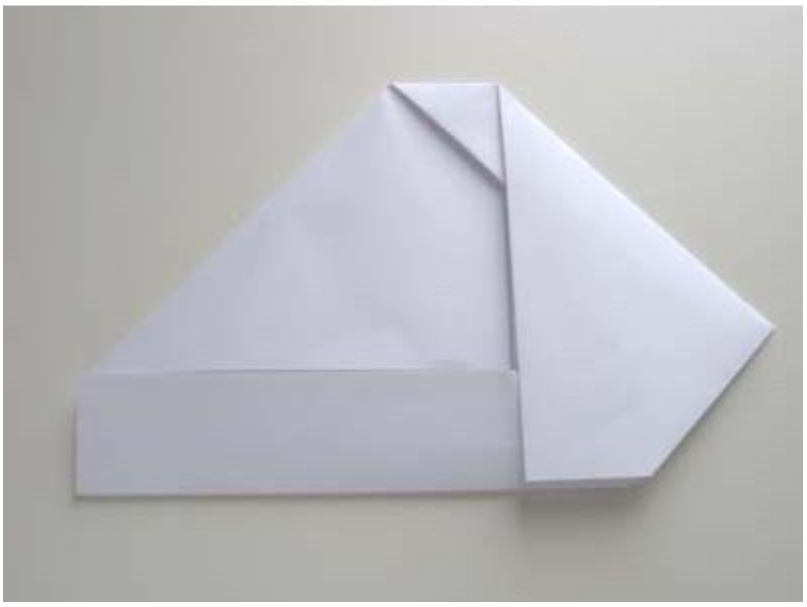


Easy Origami Envelope Step 7: Rotate the paper 90 degrees clockwise.

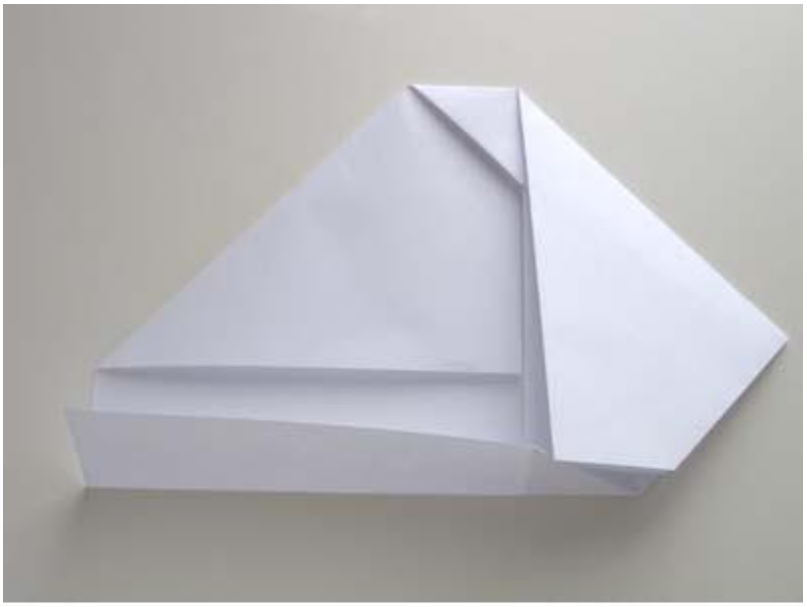


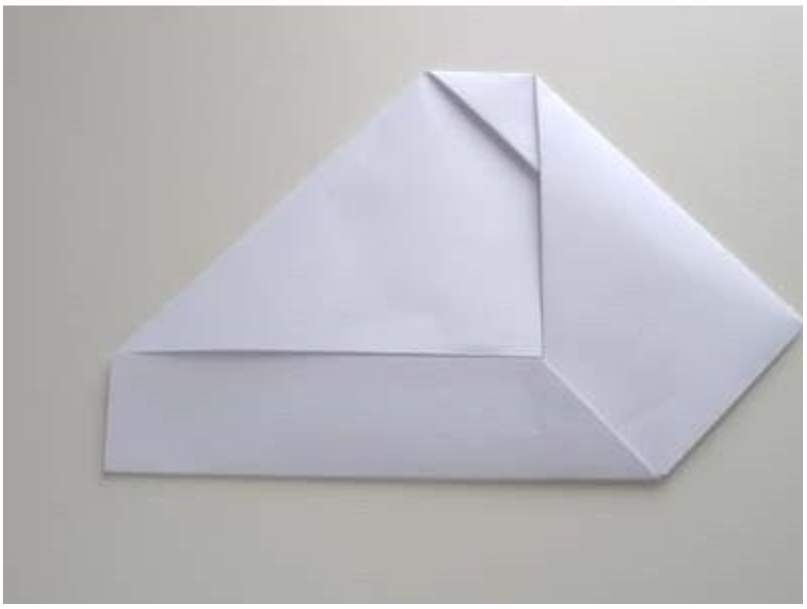
Easy Origami Envelope Step 8: Fold the right side down to meet the bottom edge.



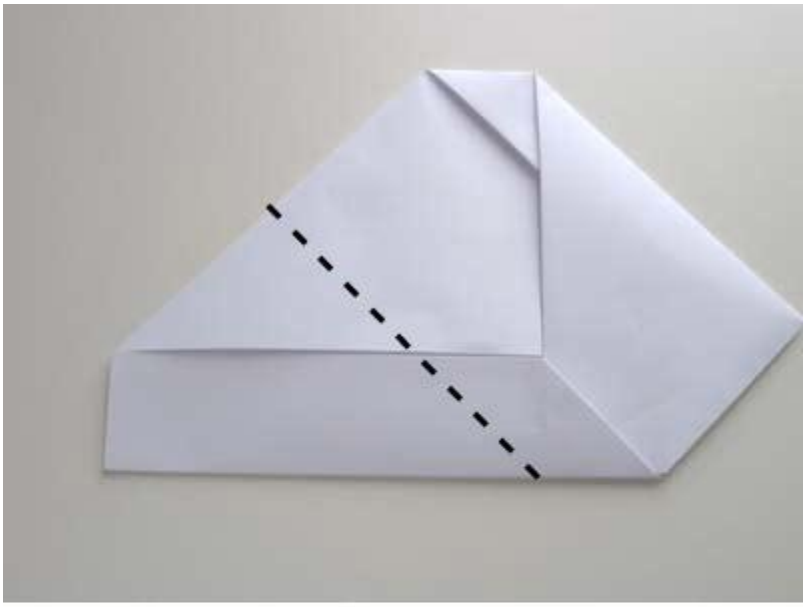


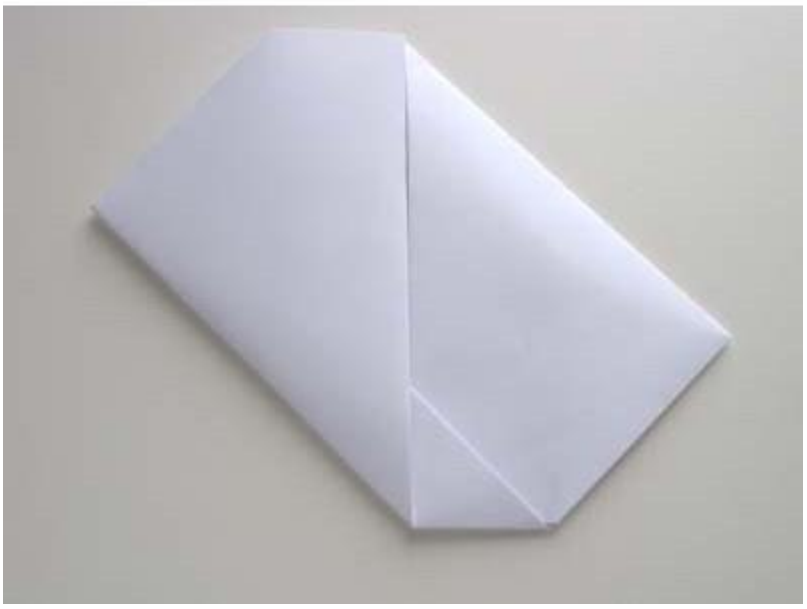
Easy Origami Envelope Step 9: Open the bottom flap and tuck in the right side.



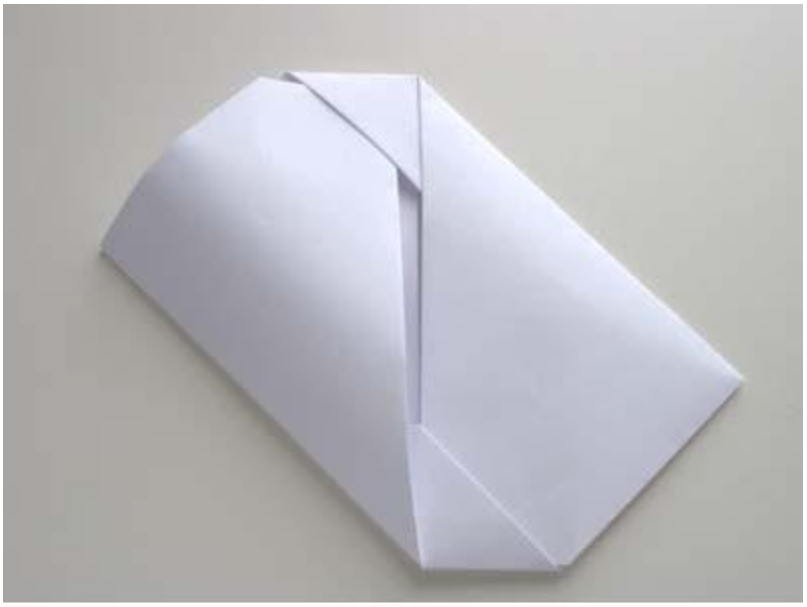


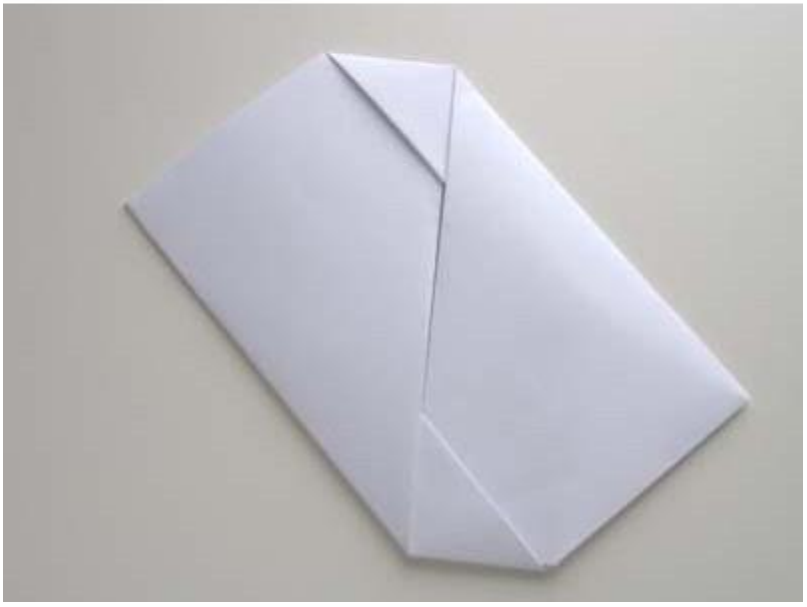
Easy Origami Envelope Step 10: Fold the left side over to the top edge.





Easy Origami Envelope Step 11: Tuck it under the top flap.





And this is your easy origami envelope!
