### Sarah Palin Calls Wikileaks Out for Aiding/Abetting Enemy

Posted by [Dr. Fay](#) on August 13, 2010

Governor Palin called Wikileaks out this morning on their release of classified documents that has placed our troops as well as friendly Afghans in danger:

She called it like it is in her second tweet:

Wikileaks staff-whomever's calling the shots there is unconscionably aiding/abetting the enemy; don't contribute to this. Speak out. Do right
