Child Sex Abuse Ring

Discovery Channel Documentary *Conspiracy of Silence* Reveals Major Child Sex Abuse Ring

***Conspiracy of Silence* is a powerful, disturbing documentary revealing a U.S. child sex abuse ring that leads to the highest levels of government.** Featuring intrepid investigator [John DeCamp](#), a highly decorated Vietnam war veteran and 16-year Nebraska state senator, *Conspiracy of Silence* reveals how rogue elements at all levels of government have been involved in systematic child sex abuse and pedophilia to feed the base desires of key politicians.

Based on DeCamp's riveting book, *The Franklin Cover-up*, *Conspiracy of Silence* begins with the shut-down of Nebraska's Franklin Community Federal Credit Union after a raid by federal agencies in 1988 revealed that \$40 million was missing. When the Nebraska legislature launched a probe into the affair, what initially looked like a financial swindle soon exploded into a startling tale of drugs, money laundering, and a nationwide child sex abuse ring. Nineteen months later, the legislative committee's chief investigator died suddenly and violently. A dozen others linked to the Franklin case investigation died strange and mysterious deaths.

So why have you never heard of the Franklin cover-up? **Originally scheduled to air in May of 1994 on the Discovery Channel, *Conspiracy of Silence* was yanked at the last minute due to formidable pressure applied by top politicians.** Some very powerful people did not want you to watch this documentary. The investigation revealed vast amounts of documents implicating a massive, lucrative child sex abuse ring that was international in scope. The paragraph below is a quote from a statement at the end of the final document showing how the investigation was stopped by the CIA. Why do you think that might have happened? Explore the links above to find out.

"I was advised ... of circumstances which indicated that the investigation in the activity of the FINDERS had become a CIA internal matter. The MPD [Washington, D.C. Metropolitan Police Department] report has been classified secret and was not available for review. I was advised the FBI had withdrawn from the investigation. The FBI Foreign Counterintelligence Division had directed MPD not to advise the FBI Washington Field Office of anything that had transpired. No further information will be available. No further action will be taken."
